Apple ID Sign On Information

May 2019

File name

Apple ID SignOn Information.csv

File description

This file contains the most recent applications accessed by the user's Apple ID, including sign-in dates.

Why Apple keeps this information

Apple retains this information in order to provide customer support and to understand the use of applications.

Field Name	Details
Application	The Apple application or service signed into with this Apple ID
Logged In Date	Date on which the Apple ID was used to sign in to the Apple application or service
IP Address	The IP address from which the user signed in to the Apple application or service
